Assembly of Monitor Cover:

1. Baste fleece pieces to the wrong side of quilt block, 1 back piece, 2 side pieces, and 1 top piece. Quilt if desired. Remaining pieces will be used for lining.
2. Sew quilt block to top piece right sides facing along one of the 17 1/2" sides. See **figure 7**. Then pin and sew remaining 17 1/2" edge of top to back piece with right sides facing.

Fig. 7

3. Sew side pieces to either side of front/top/back section, right sides facing, pivoting at corners. See **figure 8**. Leave bottom edges open.
4. Sew lining pieces in the same manner following steps 2&3, except leave an opening in 1 side seam for turning.
5. Insert lining into monitor cover right sides facing and stitch together along bottom edge. Turn right side out through opening. Stitch opening closed. Topstitch along bottom edges. Tack lining to corners if desired.
